Acceso al sistema canvas para los
padres de familia

El sistema Canvas es una herramienta digital la cual permite a los padres, estudiantes, y maestros tener acceso exclusivo a una variedad de recursos educativos en línea— todo desde un solo lugar.

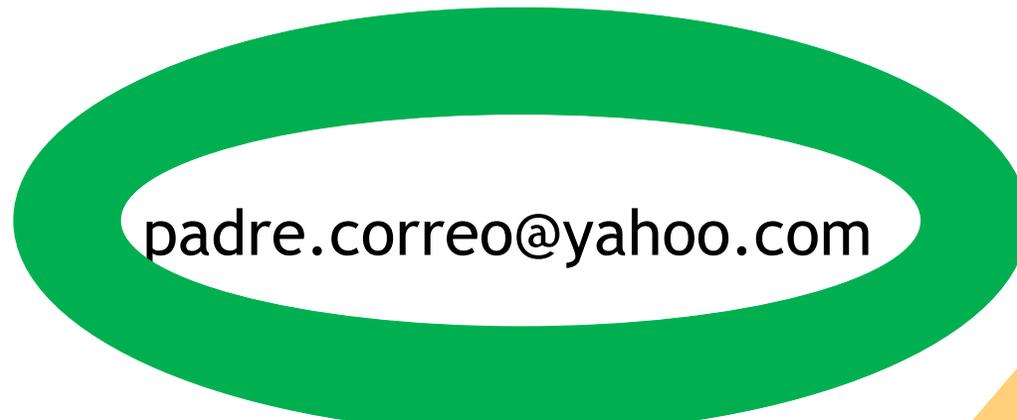

- ▶ En canvas se crea un curso para cada clase que el estudiante tiene.
- ▶ Las cuentas del “observador” se crean automáticamente para los tutores.
- ▶ Los padres pueden tener acceso a estos cursos utilizando una cuenta como “observador”.

Canvas Parent Information

Canvas provides you, as parents and guardians, “view only” access to see your child’s course work. You will have access to information such as calendar reminders, announcements, assignments, class notes, and more. As LCISD teachers use Canvas throughout the school year, you will see valuable information inside of this tool.

Below you will find several instructional videos, including how to login to your account, a brief overview of how to navigate Canvas, details on how to setup Canvas notifications, and information on how to use the Canvas Parent app. In order to log in to your account, you will need the email address associated with your Skyward Family Access account.

The following guide is also available to walk you through setting up your Canvas Parent account. Select the link to download a copy.
