

POSTCARDS

Folded Postcards must be designed to fit our envelope types. When determining your final postcard size, make sure to consider the envelope size.

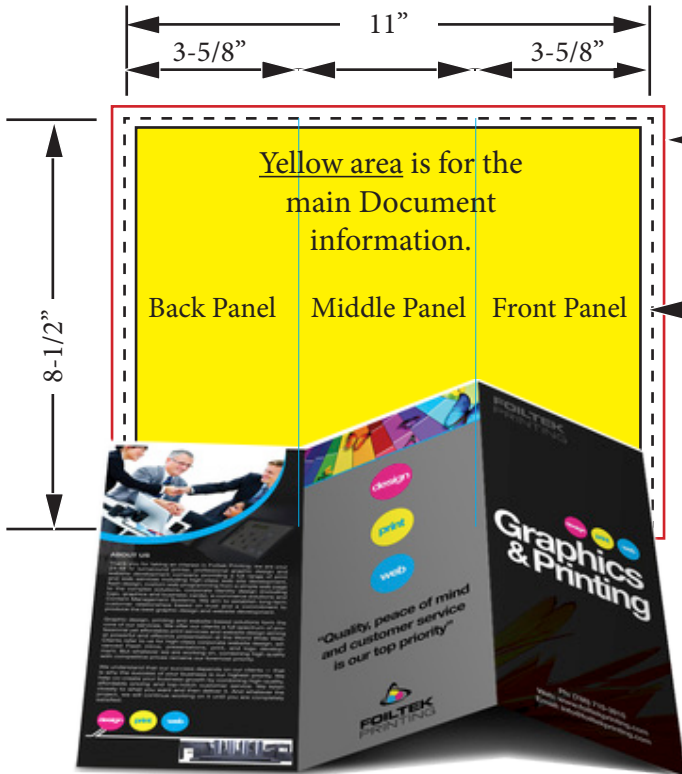

Type	Dimensions (inches)	Colors/Finishes
A2	4 3/8 5 3/4	White
A6	4 3/4 6 1/2	Ivory
A7	5 1/4 7 1/4	Sand
A8	5 1/2 8 1/8	Linen

Red area indicates Bleed extents. All bleed information must reach this line in order to print Full bleed.

Black Dashed area indicates the 1/4" Trim margin. Text or information that you need visible should not exceed this line. **This is where document will be trimmed.**

BROCHURES

Brochures are setup as tri-folds with each panel containing separate information. As with other jobs, the key is to stay within the guides and to make sure the artwork is set to high resolution. Don't forget to flip the information when working on the inside information.

Red area indicates Bleed extents. All bleed information must reach this line in order to print Full bleed.

Black Dashed area indicates the 1/4" Trim margin. Text or information that you need visible should not exceed this line. **This is where document will be trimmed.**

flip!
