

TICKETS CUSTOM

When designing your jobs it is essential that all documents are setup based on the final cut size. For example, tickets that will be cut to 2.75" x 5.5" must be designed to that size. This pertains to "ALL" jobs. If any bleeds are required the document must include them in the document.

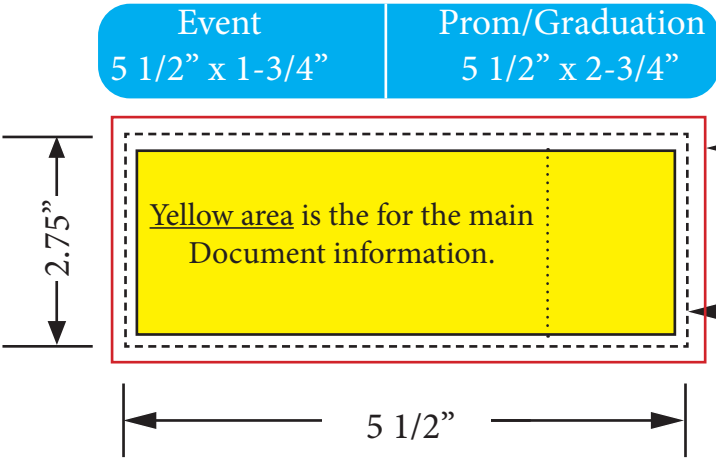

If design requires numbering and perforating, please contact Graphic Arts to determine best location.

Graphic Arts will be happy to design your Programs for you!

Red area indicates Bleed extents. All bleed information must reach this line in order to print Full bleed.

Black Dashed area indicates the 1/4" Trim margin. Text or information that you need visible should not exceed this line.

This is where document will be trimmed.

LARGE FORMAT - BANNERS & POSTERS

Posters & Banners require special attention to ensure proper printing, especially with the graphics. It is essential that all images, photos or art work be High Resolution, preferably Vector format. Keep in mind that bitmap images will not produce the desired results when printed in Large Format.

Pricing

Banners = \$1.50sf	Mounting = \$5 per Poster
Posters = \$1.00sf	Laminating = \$2.00 per

Banner w/Display stand

\$150.00 each
Final size 34" x 96"
