***** If your child tests positive for COVID-19, the same 3 underlined, bolded criteria listed in the yellow box needs to be met before returning to school.**

If your child has fever or other symptoms that could be from COVID-19 and he or she does not get tested OR is not cleared by their doctor, it is assumed the child has COVID-19 and may not return to school until the 3 following criteria are met: **At least 24 hours have passed since the recovery without the use of medication AND the child has improvement of symptoms, AND at least 10 days have passed since the symptoms first appeared.**

Has your child been fever free without medication for 24 hours? Were they seen by their doctor and diagnosed with something OTHER than COVID-19?

YES

If your child has not had any contact with anyone who tested positive for COVID-19, he or she may return to school with a doctor's note. However, if your child was in contact with someone who tested positive for COVID-19, please see the 3 underlined, bolded criteria in the yellow
