

7500 Art & Media Communications

Credit: 1

Prerequisite: None

This course combines rigorous and relevant experiential study of modern, post-modern, and contemporary visual art and design with student learning in media literacy and technology applications. Creation and analysis of student artworks will be balanced with explorations into contemporary practices across the visual and commercial arts fields. Students will learn how to bridge traditional hand skills with current technology applications to create new media such as animations, digital images, multimedia presentations, digital videos, websites, and interactive or site-based installations and performances. Student work will culminate in a capstone project that investigates an issue relevant to the student and uses art, design, and visual communications to address a problem within the community or effect a change. This project will afford students an opportunity to learn and practice creative research skills, develop a narrative, engage an audience, and connect an online community to their project. This course meets the state requirement for one high school fine arts credit.

7503 Art I

Credit: 1

Prerequisite: None

Art I is a comprehensive course that provides the student with introductory experiences in inventive and imaginative expression through a variety of art experiences, media, and techniques. Emphasis is placed on the elements and principles of design.

Artistic periods and styles will be emphasized.

7534 Art II Sculpture

Credit: 1

Prerequisite: Art I

Art II Sculpture extends the student's artistic understanding and experiences as introduced in Art I. This class explores various 3D materials used to create sculptures such as clay, wood, and found objects. Students will learn how to manipulate materials, problem solve, and analyze sculpture through hands on learning, readings and discussion.

7553 Art III Drawing

Credit: 1

Prerequisite: Art II Painting or Art II Drawing

Art III Drawing extends the student's artistic understanding and experiences as introduced in Art II Drawing or Art II Painting. Emphasis will be placed on the advanced development of compositional skills and imaginative use of the elements and principles of design in drawing. This class is designed to develop the mastery of two-dimensional media. The study of art appreciation and history is incorporated within every technical skill. Emphasis will be placed on the development of problem-solving skills through experimentation with a variety of advanced drawing media and subject matter. The history and the analysis of drawing will be emphasized.

7563 Art III Drawing – PAP

Credit: 1

Prerequisite: Art II Drawing

Preparatory course for AP portfolio courses.

Art III Drawing (PAP) extends the student's artistic understanding and experiences as introduced in Art II. Emphasis will be placed on the development of compositional skills and imaginative use of the elements and principles of design. The class is designed to strengthen the student's painting and two-dimensional skills with an emphasis on drawing as applied to painting. Students will experiment with a variety of painting media, techniques, and subject matter. Artistic periods and styles will be investigated to inspire individual artwork. Outside assignments and journal may be required.

7573W Art IV Drawing

Credit: 1

Prerequisite: Art III Drawing

Art IV Drawing extends the student's artistic understanding and experiences as introduced in Drawing III. Emphasis will be placed on the advanced development of compositional skills and imaginative use of the elements and principles of design in advanced drawing. This class is designed to develop the student's commitment to a self-determined area of special interest. Students will apply advanced drawing tools and techniques to develop a series of artwork based on a personal style and theme. Art appreciation, self-evaluation, and higher-level problem-solving skills are emphasized. The history and the analysis of drawing will be emphasized.

7583 Art IV Drawing Portfolio – AP

Credit: 1

Prerequisite: Art III Drawing; Art III Drawing-PAP recommended

Students may desire to purchase professional-grade materials at their own expense. This course prepares students for the College Board Advanced Placement Drawing Portfolio Exam. Students are responsible for the examination fee and the cost of preparing slides included in the portfolio. The Advanced Placement Drawing Portfolio course enables highly motivated students to do college-level work in drawing while still in high school. The course involves significantly more time and commitment than most high school art courses and is intended for students seriously committed to the study of art. As in each AP Art Studio course, the evaluation is based upon the completion and submission of a portfolio, not a

written examination. This portfolio is intended to address a very broad interpretation of drawing issues. Such elements and concepts can be articulated through a variety of drawing processes. Approaches may include scraffito, gestural, contour, and value studies. A variety of drawing media will be used.
