

Welcome to the Roberts Middle School Library!

Dear Parents,

I am thrilled to serve your child as his/her librarian during the 2019-2020 school year! I look forward to helping him/her become a critical thinker, enthusiastic reader, skillful researcher, and ethical user of information! Below you will find information to answer questions you may have about library procedures this school year. Feel free to contact me with any unanswered questions.

- Students will have biweekly visits with their ELAR classes.
- Students are also welcome to return or exchange books daily before school or between classes with the permission of their classroom teacher.
- Students are responsible for handling library books with care, since they are for everyone to share. Please keep books away from pets, food, and all liquids.
- Any book damage should be reported to the library as soon as possible so we can attempt repairs. If a book is lost or damaged beyond repair, payment toward a replacement will be requested from the parents.
- Library books may be kept for two weeks, then must be returned. A book may be renewed a maximum of 2 times if the student is not finished reading it. An overdue book means a student cannot borrow another book until the overdue book is renewed or returned.
- If your family plans to move from Roberts Middle School, please return all books before moving.

Family Book Selection:

Please take time to discuss the types of books you want your child to be reading. Also take the time to discuss any topics you do not want your child reading about. They need to know your expectations.

Happy Reading,
