The conditions of the Articulation Plan were formulated through meetings with representatives from both institutions based on an agreement of evaluation criteria, course content, and exit competencies. Under the articulation agreement, the following conditions of articulation are hereby set forth:

- 1.01 The student must meet all ACC admission requirements and be officially enrolled in ACC to be eligible for credit via articulation.
- 1.02 High school students enrolled under the early admission program must graduate from high school before Articulated Credit can be granted.
- 1.03 The student must have an official high school transcript on file with the ACC Records Office.
- 1.04 The student must enroll in an Associate of Applied Science degree plan at the time of enrollment.
- 1.05 Either the Articulation Specialist or the Director of Educators Alliance for Articulated Credit will be responsible for evaluating the high school transcript and recommending Articulated Credit based on the stated conditions in the applicable Articulation Plan. This recommendation is forwarded to the Records Office where Registrar reviews and completes final implementation.
- 1.06 The student must have completed the high school courses for which Articulated Credit is being requested.
- 1.07 The student must meet all conditions for Articulated Credit stated in the specific Articulation Plan which covers the requested courses.
- 1.08 All specific Articulation Plans will be on file with the Director of Educators Alliance for Articulated Credit.
- 1.09 The student must have successfully completed specified high school course(s) and received a grade of 80 or better in order for credit to be awarded.
- 1.10 ACC will hold an annual review of this Articulation Plan with the ISD representatives to evaluate any changes in competencies, content, or standards.
- 1.11 In addition to the conditions outlined above, the following special requirements must be met for the awarding of credit for this specific Articulation Agreement: n/a
