

122 Golfview, Richmond, Texas 77469
(281) 633-7300

School Hours: 8:00am – 4:00pm

Under the guidance of Dr. Melissia Smith, Principal of Special Sites, Lamar CISD provides an educational program for students (ages 10 – 16) who have been detained in the Fort Bend County Juvenile Detention Center. The program closely replicates students' traditional, comprehensive educational environment. There are four classrooms, certified teachers in each classroom, and an Instructional Paraprofessional, who specializes in assisting Special Education and English as a Second Language Students. Students have access to a self-paced, virtual learning program, Edgenuity, which is aligned to Lamar CISD's scope and sequence. Students are empowered to maximize their potential - intellectually, socially, emotionally, and ethically. Instructional Staff work to maximize the successful academic potential of each student and help them seamlessly transition back to their home campuses.
