GT Parents,

The GT Advisory Committee (GTPAC) meets for an hour once each semester. We are asking for volunteers, up to three parents or guardians per campus, to make a commitment for two evenings, once each semester for a virtual meeting. The dates are 11.5.20 and 2.11.21 from 6:00 p.m. to 7:00 p.m.

The first GTPAC meeting will help us finalize the way student progress and performance is communicated to parents. The GT State Plan requires the district to periodically assess student progress and performance in response to gifted services. Results are to be communicated to parents or guardians. The second GTPAC meeting will focus on the short elementary survey sent to parents last year.

If you would like to volunteer, please contact your GT Facilitator. Please give your name, student's name and grade, phone number and email address.

If you are not the parent of an elementary GT student and would like to volunteer and commit to the two GTPAC meetings this year, we would be glad to accept you as an ad hoc volunteer. Please email Valerie Anderson at vlanderson@lcisd.org with your name, student's name and grade, phone number and email address.

As we continue to grow the GT Program in LCISD, we will be reaching out for volunteers next year as well. Our focus for the 2021-2022 school year will be better implementing the GT State Plan for grades 6 through 8.

Thanks,

Valerie Anderson
