# ELIGIBILITY

## ELIGIBILITY

Eligible employees must be actively at work on the plan effective date for new benefits to be effective.

## NEW EMPLOYEES

You have 31 days from your actively-at-work date to make benefit elections.

## MID-YEAR BENEFIT CHANGES

You may add or cancel coverage during the plan year if you have a change in family status. You must notify the benefits department within 31 days of the change.

## QUALIFYING LIFE EVENTS INCLUDE:

- Changes in household, including marriage, divorce, legal separation, annulment, death of a spouse, birth, adoption, placement for adoption, or death of a dependent child
- Loss of health coverage, attributable to your spouse's employment, losing existing health coverage including job-based, individual & student plans, losing eligibility for Medicare, Medicaid, or CHIP, turning 26 and losing coverage through a parent's plan

# SECTION 125 PLANS

## SECTION 125 PLAN INFORMATION AND RULES

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

### HERE'S HOW IT WORKS

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

### IS IT RIGHT FOR ME?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer's Section 125 Plan – that's a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

SECTION 125 PLAN SAMPLE PAYCHECK

**YOU COULD SAVE \$70 PER MONTH IN TAXES BY PAYING FOR YOUR BENEFITS ON A PRE-TAX BASIS!**

# VOLUNTARY RETIREMENT PLANS

## 403(b) RETIREMENT PLAN

Research shows that Americans are living well past retirement years. Are you saving enough to be able to enjoy those years? A 403(b) plan can help you get there.

It's an IRS-approved retirement plan that allows you to set aside money on an after-tax basis for your retirement. Contributions are conveniently made through payroll deduction, so money is moved from your paycheck into the account automatically. Plus, your employer may even match your contributions based on how much you put into the plan. Now is the time to take full advantage of this opportunity to maximize your retirement savings!

## 457(b) RETIREMENT PLAN

The 457(b) plan is an employer-sponsored voluntary retirement savings plan that allows you to save money for retirement on a tax-deferred basis. The plan contains most of the same features of the 403(b) plan but is different in one unique way. Distributions from a 457(b) Deferred Compensation Plan are not subject to the 10 percent excise tax for early withdrawal.

## CONTRIBUTION LIMITS

In 2022, you can contribute 100 percent of your includible compensation up to \$20,500, whichever is less. If you are age 50 or older, you can contribute up to an additional \$6,500 for a total of \$27,000.

# 403(b) RETIREMENT PLANS

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com) |  
1.800.523.8422, option 2 | [retirement@ffga.com](mailto:retirement@ffga.com)

The 403(b) can be an excellent way to save money for retirement. It can serve as a supplement to a traditional pension plan or other retirement plan(s), or as a stand-alone plan. The 403(b) is a tax deferred retirement plan available to employees of educational institutions and certain non-profit organizations as determined by section 501(c)(3) of the Internal Revenue Code. Contributions and investment earnings in a 403(b) grow tax deferred until withdrawal (assumed to be retirement), at which time they are taxed as ordinary income. The 403(b) is named after the section of the IRS code governing it.

## HOW A 403(B) WORKS

Employees enroll and participate through their employer. Contributions to a 403(b) are made on a pre-tax basis through a Salary Reduction Agreement. This is an arrangement where the participating employee agrees to take a reduction in salary. The amount by which the salary is reduced is directed to investments offered through the employer and selected by the employee. These contributions are called elective deferrals and are excluded from the employee's taxable income. Contributions grow tax-deferred until the time of retirement when withdrawals are taxed as ordinary income.

## BENEFITS

- Tax deferred growth: no annual taxation on earnings
- Investment options: fixed annuities, variable annuities, or mutual funds
- Competitive interest rates
- Flexibility: start, stop, and adjust your contributions as allowed by your employer's plan.
- Receive periodic account statements

## CONTRIBUTION LIMITS

Participants may contribute up to \$20,500 for year 2022. Participants aged 50 and older at any time during the calendar year are permitted to contribute an additional \$6,500 in 2022, for a total of \$27,000.

# LONG-TERM DISABILITY INSURANCE

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 1.800.662.1113

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

After that, disability means you are unable to perform the material and substantial duties of any gainful occupation for wage or profit for which you are reasonably qualified by training, education, or experience.

## Return To Work Incentives: Disabled and Working

If you are disabled and working, you may be eligible to continue to receive a percentage of your disability payment in addition to your disability earnings. If your disability earnings exceed 80% of your monthly compensation, payments will stop and your claim will end.

### • Family Care Benefit

If you are disabled and working and have one or more eligible family members, you may be eligible for a family care benefit. This benefit is for expenses incurred up to 25% of your monthly disability benefit. Your disability earnings, gross disability benefit, and family care benefit cannot exceed 100% of your monthly compensation. Payment of this benefit ends when you cease to be eligible for benefits under the Disabled and Working provision of the policy.

### • Worksite Accommodation

As a part of our claims evaluation process, if worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

## Mental Illness Limited Benefit

If you are disabled due to a mental illness, benefits will be provided for up to 2 years, not to exceed the maximum disability period.

## Alcoholism and Drug Addiction Limited Benefit

If you are disabled due to alcoholism or drug addiction, a limited benefit of up to 15 days for each disability will be paid. Benefits will not be paid beyond the maximum benefit period. If drug addiction is sustained at the hands of, or while under the regular and appropriate care of a physician in the course of treatment for injury or sickness, it will be covered the same as any other sickness.

## Special Conditions Limited Benefit

If you are disabled due to special conditions and under the regular and appropriate care of a physician, benefits will be provided for up to 1 year. Special conditions means: chronic fatigue syndrome; fibromyalgia; any disease, disorder, accident or injury of the neck or back not resulting in hemiplegia, paraplegia, or quadriplegia; environmental allergic illness including, but not limited to sick building syndrome and multiple chemical sensitivity; and self-reported symptoms. Self-reported symptoms are symptoms that the insured tells their physician that are not verifiable using tests, procedures or clinical examinations. Examples include: headaches, pain, fatigue, stiffness, soreness, ringing in ears, dizziness, numbness, or loss of energy.

# Policy Benefit Limitations and Exclusions

## Pre-Existing Condition Limitation

A limited benefit up to 1 month's Disability Benefit will be payable for Disability due to a Pre-Existing Condition. This provision will not apply if you have: gone treatment-free; incurred no expense; taken no medication; and received no diagnosis or advice from a Physician, for 12 consecutive months for such condition(s).

This limitation will not apply to a Disability resulting from a Pre-Existing Condition that begins after you have been continuously covered under the Policy for 24 months.

Any increase in benefits will be subject to this pre-existing condition limitation. A new pre-existing condition period must be satisfied with respect to any increase applied for and approved by us.

**Pre-existing condition** means a disease, Injury, Sickness, physical condition or mental illness for which you: had treatment; incurred expense; took medication; received care or services including diagnostic testing or related measures; or received a diagnosis or advice from a physician, during the 12 month period immediately before your effective date of coverage. The term pre-existing condition will also include conditions which are related to such disease, injury, sickness, physical condition, or mental illness.

## Exclusions

The Policy does not cover any loss, fatal or non-fatal, resulting from:

- Intentionally self-inflicted injury while sane or insane.
- An act of war, declared or undeclared.
- Injury sustained or Sickness contracted while in the service of the armed forces of any country.
- Committing a felony.
- Penal incarceration. We will not pay benefits for Disability or any other loss during any period for which you are incarcerated in a penal or correctional institution for a period of 30 consecutive days or longer.

Your coverage may be continued for up to 1 year during a leave of absence approved in writing by your employer. Coverage will continue as long as the group policy remains in force, the premiums are paid and you remain eligible for the coverage under the policy. Your coverage will end when you no longer qualify as an insured, you retire, you are not on active employment, or your employment terminates. Your coverage can be terminated on any premium due date with 31 days advance notice. If premium rates are increased, we will provide a 60 day advance notice.

There is a **3 in 10** chance of a person suffering a disabling illness or injury that would keep them out of work for three months or more.

Plan amounts are offered in tiers so you can choose the amount of coverage that works best for you and your family. Because it's a group plan, premiums are typically lower, so it's more affordable to gain the peace of mind that life insurance provides. Limitations apply, please see policy for details. # Strengthen Your Family's Financial Plan

Life insurance is an important piece of a strong financial plan. While there is no replacement for the loss of a loved one, AF™ **Term Life Insurance** can help protect your family in your absence. It supplies short-term coverage at a competitive price. For those on a limited budget, Term Life Insurance can help fill temporary needs.

Life insurance provided by your employer is an important benefit. However, it may not be enough protection to provide for your loved ones.

A term life policy can help supplement your existing coverage should you need it. Plus, this is an individual policy which means you own it and can take it with you to a different job or in retirement.

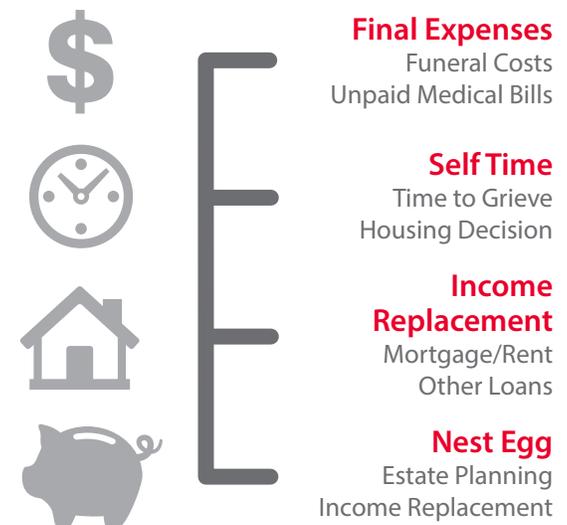

AF™ **Term Life Insurance** is a great option for your working and earning years when costs are usually at their highest.

Premiums will remain the same for the initial term period selected.<sup>2</sup> The death benefit will not change for the life of the policy, and death benefits are generally paid tax free.

## Why You Need Life Insurance

Consider the following expenses when choosing the right life insurance plan for you.

## Three Easy Steps to Get Covered

- 1 Select a Term Period**  
Choose from a 10, 20, or 30 year term.
- 2 Answer Three Health Questions<sup>4</sup>**  
Only three health questions are required to issue coverage, and you don't have to participate in any invasive medical exams.
- 3 Get Death Benefit Coverage Immediately<sup>5</sup>**  
Your death benefit coverage starts when you sign the application.

<sup>1</sup>LIMRA: 2019 Insurance Barometer Study; March 29, 2019, p25. <sup>2</sup>Rates will be adjusted on each renewed term period. <sup>3</sup>LIMRA: The Facts of Life and Annuities - 2019 Update; January 7, 2020, p5. <sup>4</sup>Issuance of the policy may depend on the answer to these questions. <sup>5</sup>Interim coverage for death will be in force from the date your application is signed if on such date the proposed insured is insurable per our underwriting guidelines for the requested coverage in accordance with the terms of the policy. This interim coverage for death will remain in force until the earlier of: 1) the date a policy becomes effective; 2) the date we decline the application; or 3) the date we notify the proposed insured that they are ineligible for interim coverage. The employee and/or spouse must remain actively at work during the interim coverage period. If the death of the proposed insured occurs during the interim coverage period, the first month's premium will be subtracted from the policy proceeds. Interim coverage is only for death benefits under the base policy, Children's Term Rider and Spouse Term Rider. No interim coverage benefits are available under any Waiver of Premium Rider, Accidental Death and Dismemberment Rider, or Accelerated Benefit Rider for Long Term Illness. <sup>6</sup>Example is based on a 20-year term, monthly, non-tobacco, base policy with no attached riders. For specific ages, rates, term periods or face amounts, see your American Fidelity account manager. <sup>7</sup>Premiums remain level for the initial term period selected. If you choose the 10 or 20 Year Term Life Plan, the renewal date will be every 10 or 20 years until the policy anniversary following age 70 or 60 respectively. Thereafter, premiums are renewable annually. The 30 Year Term Life Plan is renewable annually after the initial term period. All term plans expire on the policy anniversary following age 90. Rates will be adjusted on each renewed term period.

Face amount must be equal to or less than the base policy.

## Accelerated Benefit Summary and Disclosure Notice

THIS DOCUMENT SERVES ONLY AS A SUMMARY AND A DISCLOSURE NOTICE. PLEASE REFER TO YOUR POLICY OR RIDER FOR ACTUAL CONTRACT PROVISIONS.

THE POLICY/RIDER PROVIDES AN ACCELERATED BENEFIT OPTION. YOU SHOULD CONSULT WITH A PERSONAL TAX ADVISOR IF YOU ARE CONSIDERING ELECTING PAYMENT UNDER AN ACCELERATED BENEFIT PROVISION. BENEFITS AS SPECIFIED IN THE POLICY/RIDER WILL BE REDUCED UPON RECEIPT OF AN ACCELERATED BENEFIT PAYMENT. RECEIPT OF ACCELERATED BENEFIT PAYMENTS: 1) MAY BE TAXABLE; 2) MAY AFFECT YOUR ELIGIBILITY FOR BENEFITS UNDER STATE OR FEDERAL LAW; AND, 3) DO NOT AND ARE NOT INTENDED TO QUALIFY AS LONG-TERM CARE INSURANCE.

The policy and/or rider you are applying for has an Accelerated Benefit provision. The provision allows a portion of the death benefits to be advanced if certain conditions are met. Please see policy/rider for conditions and definitions, as applicable.

Prior to the payment of any Accelerated Benefit, the following conditions must be met:

- The maximum Accelerated Benefit varies by policy/rider (see specific information below) and shall not exceed the Benefit Amount for the policy shown on the Policy Schedule.
- Only one Accelerated Benefit election will be made under the policy and/or each rider even if the Owner does not elect the full acceleration amount.
- If two or more Accelerated Benefits are payable on behalf of the Insured/Covered Person under the policy or any attached riders for the same or related sickness, injury or loss, benefits will be paid in the following order:
  - 1) Accelerated Benefit for Long Term Illness, if this optional rider is attached to the policy; and
  - 2) Accelerated Benefit for Terminal Condition.
- Additional limitations and exclusions may apply, please read your policy/rider carefully.

Upon request to accelerate the policy/rider proceeds, and upon the payment of the accelerated benefit, the Owner and any irrevocable beneficiary shall be given a statement demonstrating the effect of the acceleration on the payment of policy proceeds, cash value, death benefit, premium, and policy loans, as applicable.

### Accelerated Benefit for Terminal Condition

Prior to the payment of any Accelerated Benefit, the Insured/Covered Person must have a Terminal Condition, defined as an imminent death expected as a result of a non-correctable medical condition that with reasonable medical certainty will result in a drastically limited life span of the Insured/Covered Person of 12 months or less. The maximum payable is the lesser of: 50% of the eligible proceeds as defined in the policy/rider, or \$100,000. There is no premium associated with this provision.

Payment of an Accelerated Benefit, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the policy/rider will remain in force. Any premiums due to keep the policy/rider in force will be paid by us, and will be deducted from the policy proceeds upon death, unless you are currently exercising the Automatic Premium Loan option. If you are currently exercising the Automatic Premium Loan option, any premiums will continue to be paid under this option, until such time as this option is exhausted or discontinued.
- Policy proceeds which are payable on the death of the Insured/Covered Person will be reduced by the amount of the Accelerated Benefit, any outstanding policy loans, and any premiums paid by us on your behalf.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. Access to the policy cash value may be restricted to the excess of the cash value over the sum of the amount accelerated and any premiums paid by us and any other outstanding policy loans.

- Any outstanding loan, including interest will not be deducted from the Accelerated Benefit payment.
- This Accelerated Benefit will be treated as a lien against the death benefit and applied at time of death.

### Accelerated Benefit for Long Term Illness (optional rider)

Prior to the payment of any Accelerated Benefit, the Insured must have a Long Term Illness, which means the Insured has been certified within the last 12 months by a Licensed Health Care Practitioner as permanently unable to perform, without Substantial Assistance from another individual, at least two out of five Activities of Daily Living for a period of at least 90 days due to a loss of functional capacity; or requiring Substantial Supervision due to permanent Severe Cognitive Impairment. The maximum payable is the lesser of 50% of the Eligible Proceeds available at the time of claim payable in two equal annual payments up to a maximum of 25% of the Eligible Proceeds per year for two consecutive years; or \$100,000 payable in two equal annual payments up to a maximum of \$50,000 per year for two consecutive years. Premium is required to keep this rider in force.

Payment of an Accelerated Benefit for Long Term Illness, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the rider will terminate and no additional benefits will be due under the rider, even for recurrence. The policy will remain in force and premiums will continue to be billed and payable as due.
- Policy proceeds which are payable on the death of the Insured will be reduced by the amount of the Accelerated Benefit.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. The cash values will be adjusted proportionally by the percent accelerated.
- Any outstanding policy loan, including interest, will be proportionally reduced by the percent accelerated and will be deducted from the Accelerated Benefit payment.
- The Accelerated Benefit will reduce the Benefit Amount and will be applied immediately upon acceleration.

# LONG TERM CARE INSURANCE

CHUBB | [www.combinedinsurance.com](http://www.combinedinsurance.com) | 1.855.241.9891

To fully equip yourself for the future, consider adding a long-term care plan to your insurance portfolio. Most health insurance plans will not cover long term care services such as skilled in-home care, nursing home facilities, assisted living centers or adult day care. If you had a long-term care insurance plan in place, you would have peace of mind knowing that these costs are covered.

A long-term care insurance plan is there for you whenever you need it as long as the premiums are paid, and the policy is still in force. And while we usually think of senior citizens being the ones who need a long-term care plan, the truth is that any person at any age can claim benefits when it's necessary. A long-term care plan allows your loved ones to be there for you as a family member, not a caretaker. Plus, it helps preserve your assets so you can continue building your nest egg. Benefits are paid through payroll deduction, and the plan may be converted to an individual policy if you leave your employer.

Sit down with your First Financial Account Manager to discuss your group long-term care plan and choose the coverage the works best for you and your family.

# ACCIDENT INSURANCE

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 1.800.662.1113

The costs associated with an injury can add up. Between hospital visits, exams and treatment, out-of-pocket costs could put you in a financial hardship. An accident plan pays benefits directly to you so you can determine where to spend the money. It's comforting to know that an accident insurance policy can be there through all stages of your care, from initial treatment to follow-up care. Accident coverage is available to you through payroll deduction and may provide a benefit for costs associated with:

- Concussions
- Lacerations
- Broken teeth
- Emergency room visits
- Ambulance, ground or air
- Intensive care unit

# GAP INSURANCE

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 1.800.662.1113

You may think major medical insurance is enough to cover your needs, but the reality is that many plans may only cover a portion of your overall expenses. It's important to protect yourself in the event of a sudden hospitalization.

A Hospital Gap Insurance plan pays benefits directly to you and is designed to help cover the gap between what your traditional medical plan will cover and the out-of-pocket expenses you will pay. The plan may include benefits you can use to help pay for inpatient hospital stays and surgeries, doctor's office treatments and diagnostic testing costs.

With Hospital Gap Insurance, you can have peace of mind knowing that unexpected medical expenses will less of a financial burden for you and your family members.

The average cost of a 3-day hospital stay is around \$30,000.<sup>2</sup>

## Plan Highlights

- No health questions required to apply
- Benefits paid directly to you
- You can take the policy with you even if you leave employment
- Coverage available for you, your spouse, and your children up to age 26

## Health Savings Account Qualified Plan

# MEDICAL TRANSPORT

MASA | [www.masamts.com](http://www.masamts.com) | 1.954.334.8261

Americans today suffer from a false sense of security that their medical coverage will pay for all costs associated with emergency or critical care transport. The reality is that majority of Americans are only partially covered for these high costs.

Most medical plans will only pay a portion of costs leaving you with the remainder of the bill. There is also the possibility of your medical provider denying your claim altogether, which means you would be responsible for paying the entire bill.

With medical transport protection, you will have zero out-of-pocket expenses for any emergent air or ground transport from anywhere in the United States, regardless of who transports you. You will receive medical emergency transportation solutions to help cover your out-of-pocket medical transport costs when your insurance falls short.

Enroll in the Emergent Plus plan today and protect you and your family against the financial burden of massive out-of-pocket ambulance costs, all at an **affordable group rate.**

## EMERGENT PLUS MEMBERSHIP BENEFITS

A MASA MTS Membership provides the ultimate peace of mind at an affordable rate for emergency ground and air transportation service within the United States and Canada, regardless of whether the provider is in or out of a given group healthcare benefits network.

After the group health plan pays its portion, MASA MTS works with providers to deliver our members \$0 in out-of-pocket costs for emergency transport.

### Emergent Air Transportation

In the event of a serious medical emergency, Members have access to emergency air transportation into a medical facility or between medical facilities.

### Emergent Ground Transportation

In the event of a serious medical emergency, Members have access to emergency ground transportation into a medical facility or between medical facilities.

### Non-Emergency Inter-Facility Transportation

In the event that a member is in stable condition in a medical facility but requires a heightened level of care that is not available at their current medical facility, Members have access to non-emergency air or ground transportation between medical facilities.

### Repatriation/Recuperation

Suppose you or a family member is hospitalized more than 100-miles from your home. In that case, you have benefit coverage for air or ground medical transportation into a medical facility closer to your home for recuperation.
