## How to Register for Smartfind Express

- 1. Call (281) 725-6973 and follow the instructions. Enter your Access ID# (employee ID#) and Temporary Pin (employee ID#) to set up a 6-digit PIN.
- 2. **Register your 6-digit PIN** in SmartFind Express Online using a desktop computer. Note: *You cannot complete this registration process using a cell phone.*
- 3. After creating your 6-digit PIN, log in with your User ID (employee ID#) and PIN. The system will prompt you to create a second password for SmartFind Express Online Access, which must include both letters and numbers. This second password will be used for future logins.

SmartFind Express has implemented changes to improve the security of your personal information. Phone access to SmartFind Express will be unchanged, Access Id and Pin will remain for use over the phone. All employees will need to create a unique password for themselves in order to login over the web.
