

Lamar Educational Awards Foundation

2019-20 Teacher TRAVEL GRANT Application

Program Goals

With the assistance and advice of school district personnel, the Board of Directors has developed several programs which emphasize the Education Foundation's mission to enrich and maximize the quality of education in LCISD. All programs will be monitored by the Foundation to ensure that they are effectively meeting the mission of the Foundation. **The purpose of this program is not to increase performance on a standardized test but rather enhance the educational experience in the classroom.**

Grant Policies

Grants applications must meet the following criteria in order to be considered:

- Grant application must be submitted by the stated due date.
- Grant applications may not mention the teacher or school name in the body or attachments of the application.
- Grants must be related to travel for teacher professional development.
- A teacher may not receive more than one travel grant within the school year. Grant applications will be judged anonymously, so multiple grants may be awarded to teachers on a single campus.

Grant Guidelines

- Grants will be awarded for up to \$500 regardless of the expense encumbered. The grants will only be used to supplement teacher's out of pocket expense for professional development travel and cannot be used to reimburse district funds or other entities.
- Grants that demonstrate a well-designed implementation plan and the potential to inspire teacher growth and student engagement will remain the primary objective.
- Applicants must submit a clear, concise plan for use of grant money including:
 - Conference/event overview
 - Itinerary of travel and estimated expense (Per diem and state rates are used to estimate travel expense.)
 - Plan for implementation or anticipated impact of the event on classroom instruction
 - Proof of registration is required before the grant check will be disbursed. Checks will be submitted as a reimbursement to the teacher payee.
 - Evaluation Form (provided by the Foundation) must be completed upon return from the event.

The goal of the Foundation Program is to select projects for funding which stimulate students' creativity and expand the existing curriculum. To insure anonymity during the selection process, the committee members will not have access to applicants' names. **With the exception of this cover page, do not include your name or the name of your school in the body of your application.**

Application Deadline for the TRAVEL GRANTS are:
