	Notes
Welcome Dr. Randle, Superintendent	Dr. Randle thanks the committee members for their presence Reminds them of thanksgiving break. Dr. Randle thanks teachers and staff for keeping students in the forefront. Dr. Randle informs committee that the board has approved JG Consulting to find a new Superintendent. He welcomes everyone and shares that we have a lot on the agenda.
Team Builder Jill Reed, DSIC Chair	Jill welcomes committee members and introduces the agenda items. We are going to have a welcome from Dr. Randle followed by our district improvement plan, an update on our COVID 19 response, followed by a presentation for the 21-22 calendar. Jill starts with a teambuilder. She instructs members to go to blooket.com/play and enter code to answer fun questions about our district administration.
20/21 DIP review & questions Dr. Mossige, Chief Academic Officer Dr. Bowen, Chief HR Officer Dr. Rockwood, Deputy Supt of Admin Services	Jill introduces Dr. Rockwood to review our DIP. A district improvement plan is part of a goal system. We created a 5 year strategic plan... TEC requires every district to develop a plan to improve student performance. These goals are aligned to our district strategic plan. Our strategic plan includes five strategic priorities. The DIP was presented to the board in October. The full DIP can be found on the LCISD website. Dr. Mossige introduces and reviews the following strategic priorities: Strategic Priority 1 – Evolving the Student Learning Experience <i>*See Presentation for details.</i> Strategic Priority 2 – Equipping Students with the knowledge and skills to succeed in a Changing World <i>*See Presentation for details.</i> Strategic Priority 3 – Promote a Safe and Healthy Environment <i>*See Presentation for details.</i>

Dr. Rockwood responds that there have been some changes to our safety protocol due to pandemic.</p> <p>Jasmine Dayton – Will the district be offering administration certification? Jamie responded and shared that district offers this every other year.</p> <p>Janette Clark – Will the district be opening the AP pool? Dr. Bowen responded – yes and gave additional details on the processes.</p> <p>Dr. Mike Rockwood closes the presentation for the DIP and provides instructions on how to find the resources that were presented.</p>
Covid Response provided at Board Mtg & ques Dr. Rockwood, Deputy Supt of Admin Services	<p>Dr. Rockwood presents on the COVID response.</p> <p>The district continues to see increased enrollment in our on-campus instructional model at each grading period transition. Approximately 66% of all students are receiving on-campus instruction</p> <p>A COVID-19 Dashboard was launched to provide updates on the number of cases affecting each campus at both the student and staff levels.</p> <p>Contact tracing – We work collaboratively with the local health authority and we inform the county of all positive cases. We have had visits before school started and while school was in session. We received positive feedback in regards to our processes.</p> <p>Campuses are E- misted on a monthly basis as well as following notification of any positive cases.</p> <p>75, 000 facemasks have been provided to LCISD employees for the fall semester. We have delivered sanitation wipes as well as desk barriers. Anyone in need of more materials should reach out to their campus administration.</p>

LCISD Child Nutrition has also been providing meals to all children under the age of 18 and has provided curbside pickup opportunity since the beginning of the year.

Technology: The technology dept. is in process of deploying a shipment of 4,000 square feet.

Financial Services: We have filed 5 reimbursement claims under the CARES Act totaling \$4.874 million, of which roughly \$135,000 has been received to date.

Campus Support – The district understands the COVID fatigue is real. The district implemented “No Meeting November” to minimize non-essential meetings, while providing staff with additional time.

The academics department has assisted campuses by having central office staff call parents of struggling virtual students.

The Board approved a waiver expansion for annual teacher appraisals.

Dr. Mike Rockwood opens the floor to questions

Tracy Kilpatrick: Why are the schools responsible for purchasing additional barriers and not the state or district?

Mr. Christopher Juntti responds stating no state funds or inventory was supplied to the district. He also stated that we used the general fund and were creative in carving out those funds. He also stated the focus was on the elementary level with a focus on K-3rd grade due to students not being required to wear masks. Any further purchases are required to be paid for by campuses going forward.

Deborah Kretschmer: Why are tubs removed? We are filling every other day compared to every 3 to 4? Mr.

Christopher Juntti responds stating that we have a systematic approach to the handing out and supplying of disinfecting wipes.

Lisa Wenglar – It was mentioned that meals would continue being provided at no costs for virtual students, does this include face to face students? **Mr. Christopher Juntti** responds that yes students both virtual and face to face will continue to be provided with meals free of charge through the end of the school year.

Amy Jacoby – Can you explain more about the waiver for annual teacher appraisals? **Dr. Bowen** responds and expands on how the waivers will work for veteran teachers. Walkthroughs are also being waived.

Gene Eubanks – Must masks be worn at all times in the classrooms or is appropriate social distancing permitted to

	<p>allow masks to be removed? Dr. Rockwood responds that yes all students in 4th through 12th grade should be masked with the exception of eating or drinking. Staff members are required to wear masks unless socially distanced from others.</p> <p>Lisa Wenglar – Will this be given to campuses by our admin.? Dr. Rockwood responds that yes it will be provided and adds that our board meetings are recorded and the recordings are posted on YouTube.</p>
Next Steps 21/22 Instructional Calendar Dr. Rockwood, Deputy Supt of Admin Services	<p>Dr. Mike Rockwood introduces that it is the DSIC responsibility to review and provide recommendations for the calendar for the following school year.</p> <p>Dr. Mike Rockwood reviews the requirements of a school calendar.</p> <p>Dr. Mike Rockwood explains that the proposed calendar option A is essentially mirroring the current school year.</p> <p>Dr. Mike Rockwood explains that the academic department provides dates for early dismissals etc.</p> <p>Dr. Mike Rockwood explains the Calendar Process.</p> <p>If anyone wants to submit alternative options they are due by January 6, 2021 to Dr. Mike Rockwood.</p>
