

ELEMENTARY SCHOOL ZONES CHANGING

The Lamar CISD Board of Trustees has approved the new attendance zone for Culver Elementary, opening this August. Your student may have been impacted by the rezoning. Please review the Board-approved attendance boundary map below to see the impacted areas.

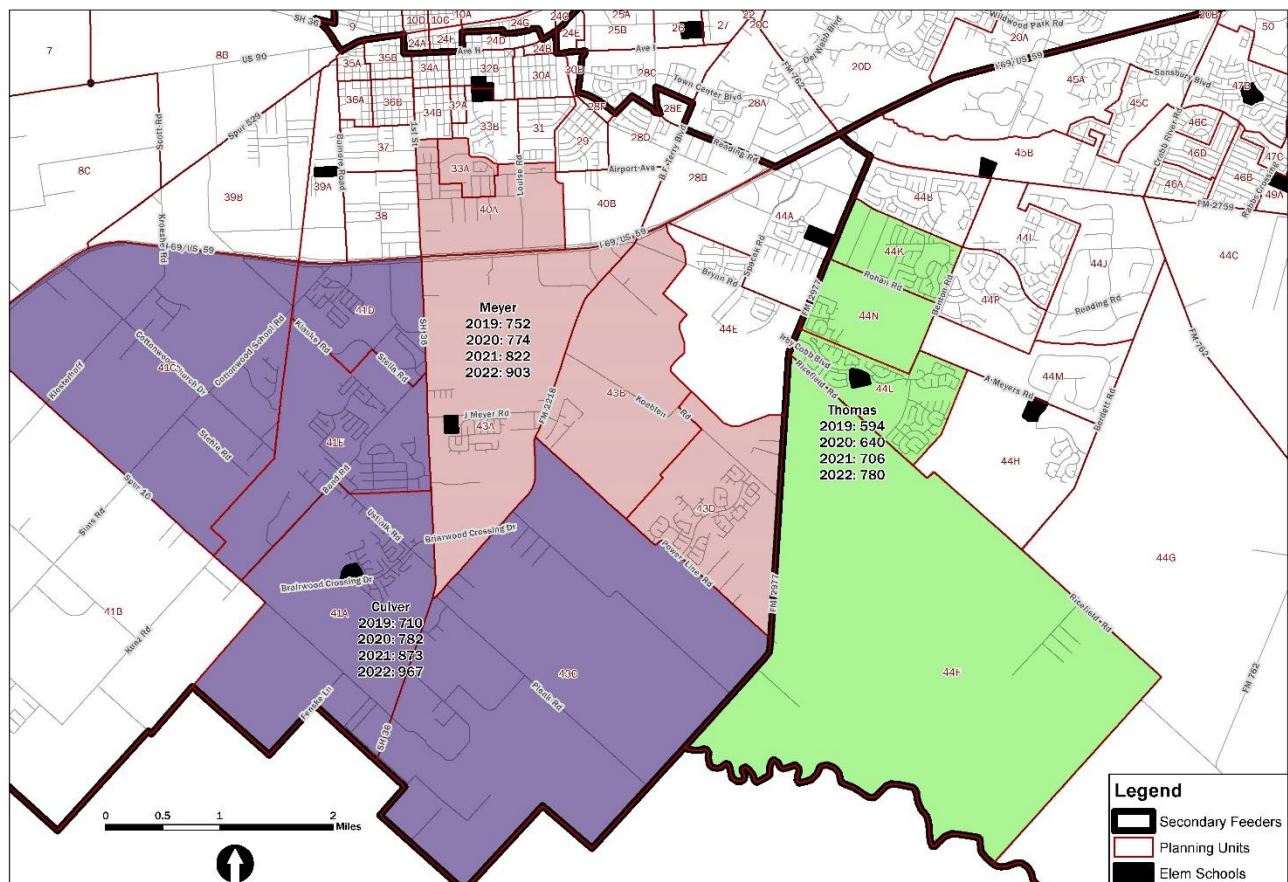

All current 4th-grade students at Meyer or Thomas also have the ability to remain at their current campus for the upcoming school year via our “grandfathering” process.

Transportation will not be provided to any “grandfathered” student remaining at their 2018-2019 campus.

The “grandfathering” application will be available in the front offices of Meyer and Thomas elementary schools, or online at www.lcisd.org (click the Culver ABC banner) beginning March 8, 2019. More information about the process will be available at that time.
