

# UPDATE: Attendance Boundary Committee Recommendations for Tamarron and Lindsey elementary schools

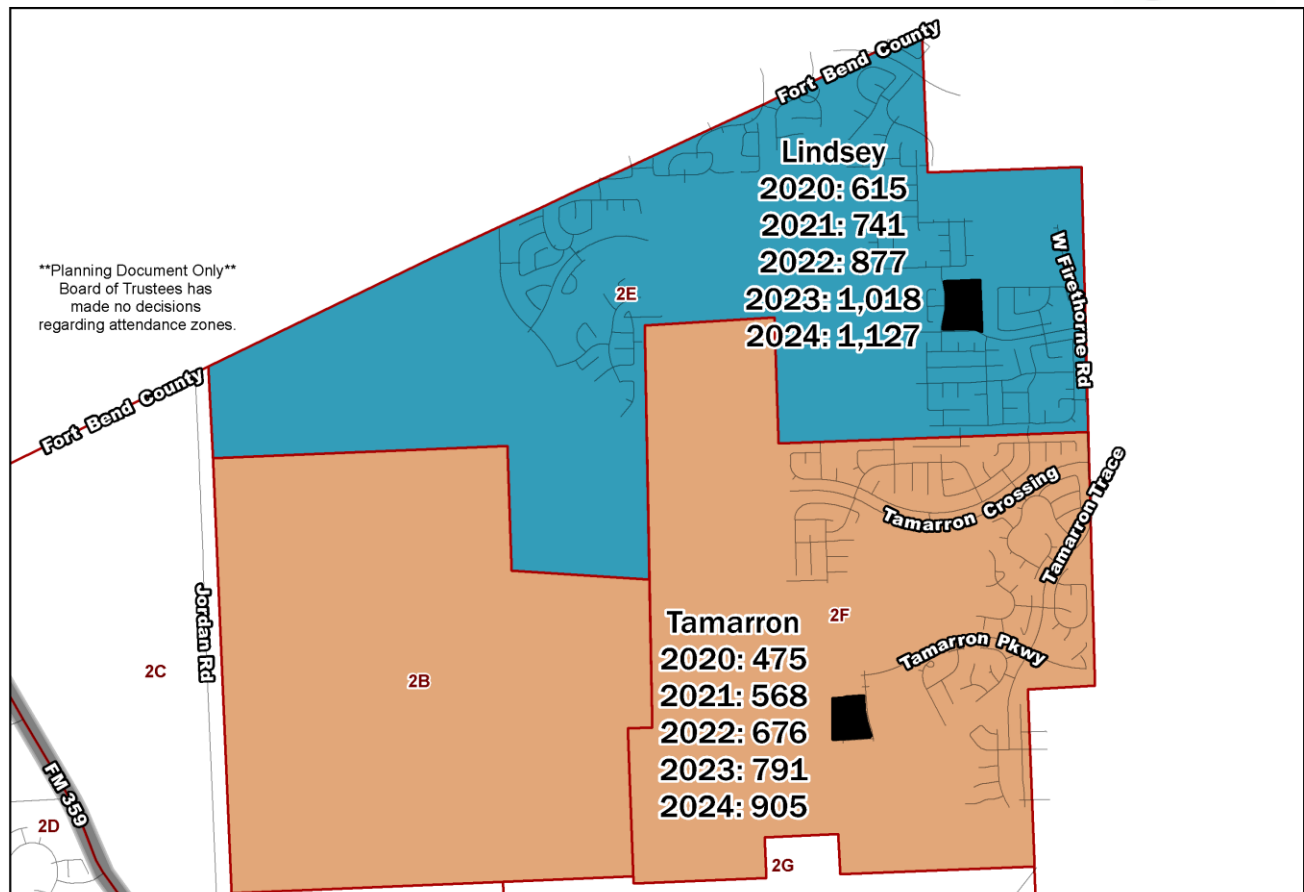

Lamar CISD’s Tamarron Elementary will open during the 2020-2021 school year. An Attendance Boundary Committee (ABC)—made up of parents from the areas under consideration for rezoning—will recommend the attendance zone for Tamarron Elementary to the Lamar CISD Board of Trustees.

The ABC held a public input meeting Jan. 30 in the Lindsey Elementary library to listen to the thoughts and concerns of the families living in the affected areas. After that input, the ABC met for the third time on Feb. 3. and decided to take its recommendation to the Board of Trustees without making any boundary changes (see below). The ABC also recommends the School Board “grandfather” 5th-grade students for the 2020-2021 school year.

The zoning recommendation is based on the latest demographic projections, facility capacity, enrollment, optimizing existing facilities and public input. The ABC also looked closely at current and projected growth trends, trying to alleviate overcrowding while minimizing the movement of students to new schools. If this recommendation is approved, only the students of Tamarron residents will be attending Tamarron Elementary.

The committee will present its recommendation at the Feb. 20 meeting of the Board of Trustees. The meeting will begin at 7 p.m. and be held in the Board Room of the Brazos Crossing Administration Building, 3911 Avenue I, Rosenberg.

## Tamarron Elementary ABC Recommendation to the Board 2-3-20
