

A vintage brass compass with a white face and black markings is open and resting on an antique map of the world. The map is aged and yellowed, with various geographical labels and lines of latitude and longitude. The compass is positioned in the lower-left quadrant of the image. The text "LET THE ADVENTURE BEGIN" is written in a bold, black, stylized font with a white outline, slanted upwards from left to right across the top half of the image.

LET THE ADVENTURE BEGIN

**CAREER EXPLORATION
AND H.S. PLANNING**

A vintage brass compass with its lid open, resting on an antique map of the world. The map shows various geographical features and labels, including 'ORIENTALIS' and 'MARE INDICUM'. The compass is positioned on the left side of the frame, and the map is the background for the entire slide.

Reasons We Work

Have you ever dreamed of what your life would be like if you did not have to work?

Teacher: Allow students to dialogue with a partner (2min).

Thank you for discussing what your life would be like if you did not have to work. I am confident that many of your responses could be categorized as wants rather than needs. In the next few slides, we will explore the reasons why we work and we will learn various ways of achieving success and ultimately experiencing a sense of accomplishment.

Why we work?

- Essential needs-Food, Shelter, Clothing
- Financially being able to provide for these needs
- Budgeting for future needs
- Sense of accomplishment
- Sense of responsibility
- Passion for chosen career

Cost of Living

- Understanding cost of living
- Generate list/cost (food, clothing, shelter, transportation, health care, etc.)
- Students will use their electronic device to generate cost of living activity. Based on a \$50,000 salary in Texas.
