

2023 Summer School

Junior High

WHAT:

Accelerated Instruction for ELAR, Math, Science, and History.

- ★ Students will receive accelerated instruction to close instructional gaps.
- ★ Students will participate in enrichment activities to prepare them for the next grade level.
- ★ Upon successful completion of summer school, determination of promotion/retention will be made by the campus administration.

WHO:

Students who have failed core content classes:

- ★ 7th & 8th ELAR, Math, Science, or History

REGISTRATION:

(April 10th—May 23th)

Students will receive letters from campus counselors; parents must read, sign and return summer school agreement. Upon receipt, campus counselors will register students into summer school.
