WELCOME

The Lamar Consolidated Independent School District recognizes the importance of your work as a substitute teacher to the total instructional program in our schools. The variety of assignments and jobs that you will be asked to perform will be numerous and challenging. Your role in working with the many students attending our schools will be extremely important and appreciated. The administrative staff is willing and prepared to assist you in every way possible to make substituting a wonderful experience for both you and the students.

This handbook is to be used as a guideline. It is not intended to be all-inclusive. Policies and procedures are subject to change. Additional information will be disseminated as needed. It is your responsibility to read, understand, and implement the policies, ideas, and suggestions given in this handbook and other supplemental material provided to you.

Reference made to District policies in this substitute handbook consists of summaries or partial excerpts from the complete Board Policy Manual that are the authoritative reference. Any policy changes adopted during the life of this handbook will take precedence over any conflicting statement in this handbook. A complete copy of the Lamar CISD Board Policies can be found on the District web site at www.lcisd.org. Statements in this handbook are not intended to imply any contract or contractual rights. The Human Resources Department has sole authority to modify the contents of this handbook.

Your experiences as a substitute can be rewarding, yet hard work, and we trust that they will be fulfilling to you and educationally profitable to our students. We need strong substitutes who will take on the responsibility to ensure that the educational process of our students is not interrupted when the regular teacher is absent.

Selection Process

The position of Substitute Teacher in the Lamar Consolidated Independent School District is a non-contract, part-time, as-needed position.

The district cannot guarantee a definite assignment or an exact number of assignments to substitutes as they have no set hours of work. It is difficult to give substitutes any estimate of how often they will be called. It will depend a great deal on factors such as the substitute's preparation and qualifications compared to the district's daily need, general overall needs of the district, time of year, and success of each substitute when assigned. Lamar Consolidated Independent School District will attempt to employ the most qualified substitute teachers available.

CERTIFICATION

- Texas Education Agency guidelines require that schools use the most qualified persons available each day substitutes are required.
- Certified teachers, college graduates, substitutes with some college hours and a high school diploma will be the order of priority as mentioned above.
- Lamar CISD will comply with State Board for Educator Certification rules regarding notification to parents when a substitute teacher is NOT certified for the assignment.

CERTIFICATION STATUS

A valid teaching certificate/license is required to be recognized as a certified substitute teacher.

REQUIREMENTS FOR SUBSTITUTE PLACEMENT

Teaching Positions: teacher certification, a bachelor's degree, or sixty (60) college credit hours earned at a university that is accredited by a TEA recognized regional accrediting agency.

Registered Nurses (RN): valid state RN license.

Licensed Vocational Nurse (LVN): valid state LVN license.

Teacher's Aide: high school diploma or GED

Degrees earned outside of the United States of America must be interpreted through an accredited agency and be comparable to at least a bachelor's degree in the United States of America.

Out of country diplomas require interpretation also.

Information for Retired Substitutes

TRS changes its regulations from time to time. To that end, you must rely on your own investigation and understanding of the TRS rules and regulations regarding your employment after retirement. Retired substitutes should not rely on any statements made by the District regarding the effects of District employment on the retiree's TRS benefits. Retirees should carefully monitor the type of position for which they are working. Working in a vacant position for as little as a half day a month can affect your annuity. **It is in your and the district's best interest that you do not accept a vacant position.** It is a retiree's responsibility to contact TRS with any specific questions at 1-800-223-8778.

QUALIFICATIONS

The District shall attempt to hire certified teachers as substitutes whenever possible; however, no person shall be employed as a substitute who does not have at least a high school diploma. **Lamar CISD maintains a high standard for oral and written communication proficiencies. English is the language used in the delivery of instruction and all substitutes, like teachers, are held to this high standard.**

GENERAL INSTRUCTIONS

Keep your file in Human Resources up to date. Report any changes in certification and qualifications as well as changes in address, telephone number, or income tax withholding statement. If it becomes necessary for you to withdraw from substituting, please notify the Human Resources Office in writing, and your name will be removed from the substitute list.

THE ROLE OF THE SUBSTITUTE

The role of the Substitute is to temporarily replace a regularly assigned teacher, principal, counselor, registered nurse, or teacher aide/clerk. It is the intent and philosophy of Lamar CISD to create and maintain excellence in the students' learning environment while providing supervision in the safest possible environment.

CODE OF ETHICS FOR SUBSTITUTES

Substitutes have the same responsibility as contract staff members to conduct themselves in an ethical manner in all things pertaining to school operation.

1. Criticism of pupils, school personnel, and school policies should be made only to the principal of that building or Human Resources.
2. Treat all information about pupils and parents as confidential.
3. All interaction with students and staff must be ethical and professional.

PICTURE IDENTIFICATION BADGE

Employees of Lamar CISD are identified by wearing a picture identification badge. You are required to wear your photo ID badge each time you substitute.

REQUIREMENT TO REMAINING ON THE ACTIVE SUB LIST

In order to remain an active substitute, you must work at least 1 assignment per semester.

RETURNING SUBSTITUTE PROCESS

Returning substitutes shall renew their status by completing required paperwork and properly submitting it to the Human Resources department. Dates and times during which this paperwork should be completed will be conveyed to all active substitutes via email to their email address on file. The district must assume that the substitutes who fail to participate in this process by the deadline provided no longer wish to continue their employment as a substitute; therefore, the status of these substitutes will be changed to "inactive." Once a substitute's status has been changed to inactive, it becomes necessary that the individual successfully complete the application and Online Substitute Orientation and provide Human Resources with the certificate of completion in order to continue subbing for the district.

SUBSTITUTES AND HEALTHCARE COVERAGE

If you selected medical benefits coverage with Lamar CISD you are responsible for maintaining an active substitute status and paying your monthly premiums. Please keep in mind that the following will result in termination of coverage:

- Working less than 16 days per month, with the exception of November (12 days), December (10 days), March (12 days). Please note: A half day assignment will only constitute a half day worked.
- Failing to pay your monthly premium, due to an insufficient amount on your paycheck will result in coverage termination. (It is your responsibility to ensure payment by the end of the month in which the premium has not been paid.) Keep in mind that during the summer months: June, July and August you will not be required to work so it will be your responsibility to ensure your premium is paid.

EMPLOYEE STANDARDS OF CONDUCT (BOARD POLICY DH AND DHC) (LEGAL AND LOCAL)

A complete copy may be found on the district's web site at www.lcisd.org and includes but is not limited to:

- **Personnel-Student Relations:** All District personnel shall recognize and respect the rights of students as established by local state, and federal law. Tinker v. Des Moines ISD, 89 S.Ct. 733 (1969)

- **Hazing:** District employees are subject to the provision of policy FNCC regarding hazing. Education Code 37.152(a)
- **Tobacco Use Prohibited:** The Board shall prohibit smoking or using tobacco products at a school-related or school-sanctioned activity on or off school property.
- **Sexual Harassment:** Sexual Harassment of students includes such activities as engaging in sexually oriented conversations for the purposes of personal sexual gratification, telephoning students at home or elsewhere to solicit inappropriate social relationships, physical contact that would reasonably be construed as sexual in nature and enticing or threatening students to engage in sexual behavior in exchange for grades or other school-related benefit. Franklin v. Gwinnett County Public School, 112 S.Ct. 1028 (1992) [See also DHC(LOCAL)]
- **Dress and Grooming:** The dress and grooming of District employees shall be clean, neat, in a manner appropriate for their assignments, and in accordance with any additional standards established by their supervisors and approved by the Superintendent.
- **Violations:** Employees shall comply with the standards of conduct set out in this Policy and with any other policies, regulations, and guidelines that impose duties, requirements, or standards attendant to their status as District employees. Violation of any policies, regulations, and guidelines may result in disciplinary action, including termination of employment. [See DCD and DF series]

CAMPUS SAFETY PROCEDURES

Be aware that campus safety is an ever-increasing issue.

- Inquire as to safety procedures specific to the classroom you will be in (i.e. locking classroom doors, location of emergency procedures, student cell phone usage, etc.).
- Upon arrival at the classroom, review fire exit map, taking note of the nearest exit.
- If the emergency flip chart and fire exit map are not apparent, contact the office to secure either.
- All classrooms are equipped with a black backpack-style Go Kit. This Go Kit is to be used ONLY in the MOST EXTREME CIRCUMSTANCES as directed by first responders and/or the campus Principal. Go Kits are intended for adult handling and **SHOULD NEVER BE ACCESSED BY STUDENTS.**
- All students are released from the classroom during the day only through campus office protocol. Therefore, redirect any “unbadged” person to the office to follow mandated procedures.

- Exterior doors are to remain closed. To prevent intruders, DO NOT prop open doors.
- All visitors must be redirected to the main entrance.
- Questions regarding campus safety issues can be addressed by the Assistant Director of Employee Services and Risk Management at (832)223-0307.

SUBSTITUTE COMPENSATION PLAN

REFER TO THE LCISD HUMAN RESOURCES PAGE FOR SUBSTITUTE COMPENSATION PLAN

<https://www.lcisd.org/departments/human-resources>

The long-term rate is retroactive to the first day of the assignment. Becoming a long-term substitute does not make you eligible for District medical, dental, life, or long-term disability insurance benefits.

ADMINISTRATORS will be paid ½ of their Daily Dock Rate of their last employment, but no less than \$154.50 per day. A Substitute Administrator assigned to a secondary school will receive an additional \$25.00 per day for extended day activities, i.e. Extra-curricular duty (paid by timecard).

NOTE TO NURSES: Registered Nurses will be paid at a rate of \$105.00 per day to sub as a nurse. Nurses who elect to substitute as a teacher or in other areas will be paid accordingly.

LVNs will be used in overflow situations and under the supervision of the campus RN. An LVN cannot substitute at any campus in the absence of the RN.

NOTE TO TEACHERS WITH OUT OF STATE CERTIFICATION: Teachers who hold an out of state certification will be paid at the certified substitute rate for one year. If, after one year, Texas certification has not been achieved, the teacher will be paid at the degreed substitute rate.

NOTE ABOUT COLLEGE DEGREES: Lamar CISD must comply with Texas Education Agency (TEA) standards; therefore, only college degrees awarded from institutions accredited by the TEA recognized regional accrediting agencies shall be accepted by Lamar CISD.

NOTE: Certified and Degreed substitutes are expected to work assignments for teachers, nurses, or counselors at the designated rate. A Certified or Degreed substitute who accepts an assignment identified as hourly/classified (i.e. Teacher's aide or monitor) will be paid at the non-degreed rate of \$90.00 or the hourly rate assigned to that job.

LONG TERM ASSIGNMENTS

Long-Term refers to assignments of ten or more consecutive days in the same position, approved by Human Resources. The long-term rate will begin on the tenth day of such assignment and is retroactive to the first day of the assignment. An absence of, one or more days, from the long-term assignment is considered an interruption and it will be necessary for the substitute to start over in the assignment and earn his/her way back to long-term status. Absences must be submitted in the SmartFind Express as a 'Substitute Absence LT' (99).

PARTIAL DAY VS. FULL DAY ASSIGNMENT

Partial day/full day designations are made at the time of the assignment. Please note this along with the name of the teacher, subject, school, and job number when called.

- An assignment of 4 hours or less will constitute a half day assignment.
- An assignment of more than 5 hours shall constitute a full day substitute assignment.
- If you are called to substitute for only 1 or 2 periods, please check for other assignments before leaving the campus.
- If you are called to substitute for a full day assignment and the assignment changes while you are performing your duties, you may call the help desk at (832)223-0310 to check for other assignments before leaving the campus.
- Substitutes who leave an assignment, without good cause, prior to its completion or misrepresent the sign in/sign out time sheet will not be paid.

SUBSTITUTE PAY

Check stubs are e-mailed to the substitutes' e-mail address on file the day of payday. Direct Deposit to the bank of your choice is mandatory or you will be required to pick up your check in the Payroll Office in person during the hours of 8:00 AM-4:30 PM. NOTE: Early release of checks is not a practice of LCISD except in extreme emergencies. It is the responsibility of the substitute to maintain the most up to date personal information with the Human Resources office. Changes of name, address, e-mail address and/or phone number must be made in person. All substituting assignments must be arranged through the substitute system. If you make a job arrangement outside the substitute system and show up for an assignment without a job number, you will not be paid for the assignment. Substitutes are eligible to participate in the District's deferred compensation plan, also known as a Tax Deferred Annuity. Please contact the Benefits Department with any questions.

TEACHER RETIREMENT BENEFITS

A substitute who is employed 90 days or more in a school year may apply for Teacher Retirement Benefits. Please contact TRS at 1-800-223-8778 to initiate the process.

SUBSTITUTE SERVICE RECORD

Substitutes who hold a valid teacher certificate may be able to use their substitute service record to increase their salary when they obtain a full-time teaching position. The commissioner's rule became effective with the 1998-1999 school year. Certified substitutes must meet certain minimum requirements, 85 or 90 documented FTE days, depending upon the year. It is more important than ever to keep track of your substitute schedule because it may mean more salary in the future. If you meet the criteria of Certified Teacher and Substitute Teacher, contact the Certification Officers in the Human Resources Department. This does not apply to TRS retirees.

SUBSTITUTE REPORT

Substitute Reports are sent to the Substitute Office from the schools regarding the performance of work, punctuality, etc. of substitutes. These forms can be positive or negative. There are times when it is beneficial for a substitute and the District to discontinue their relationship. A substitute's status will be changed to "inactive" if he/she fails to meet the expectations of the position or when he/she receives two negative forms regarding the quality of work at an assignment. Additionally, a substitute can be reclassified as "inactive" with one negative form depending on the seriousness of the circumstances. This action is taken at the discretion of the Chief Officer of Human Resources. Substitutes may automatically be reclassified as "inactive" for any behavior in the workplace or away from the workplace that interferes with the mission of Lamar CISD, as well as:

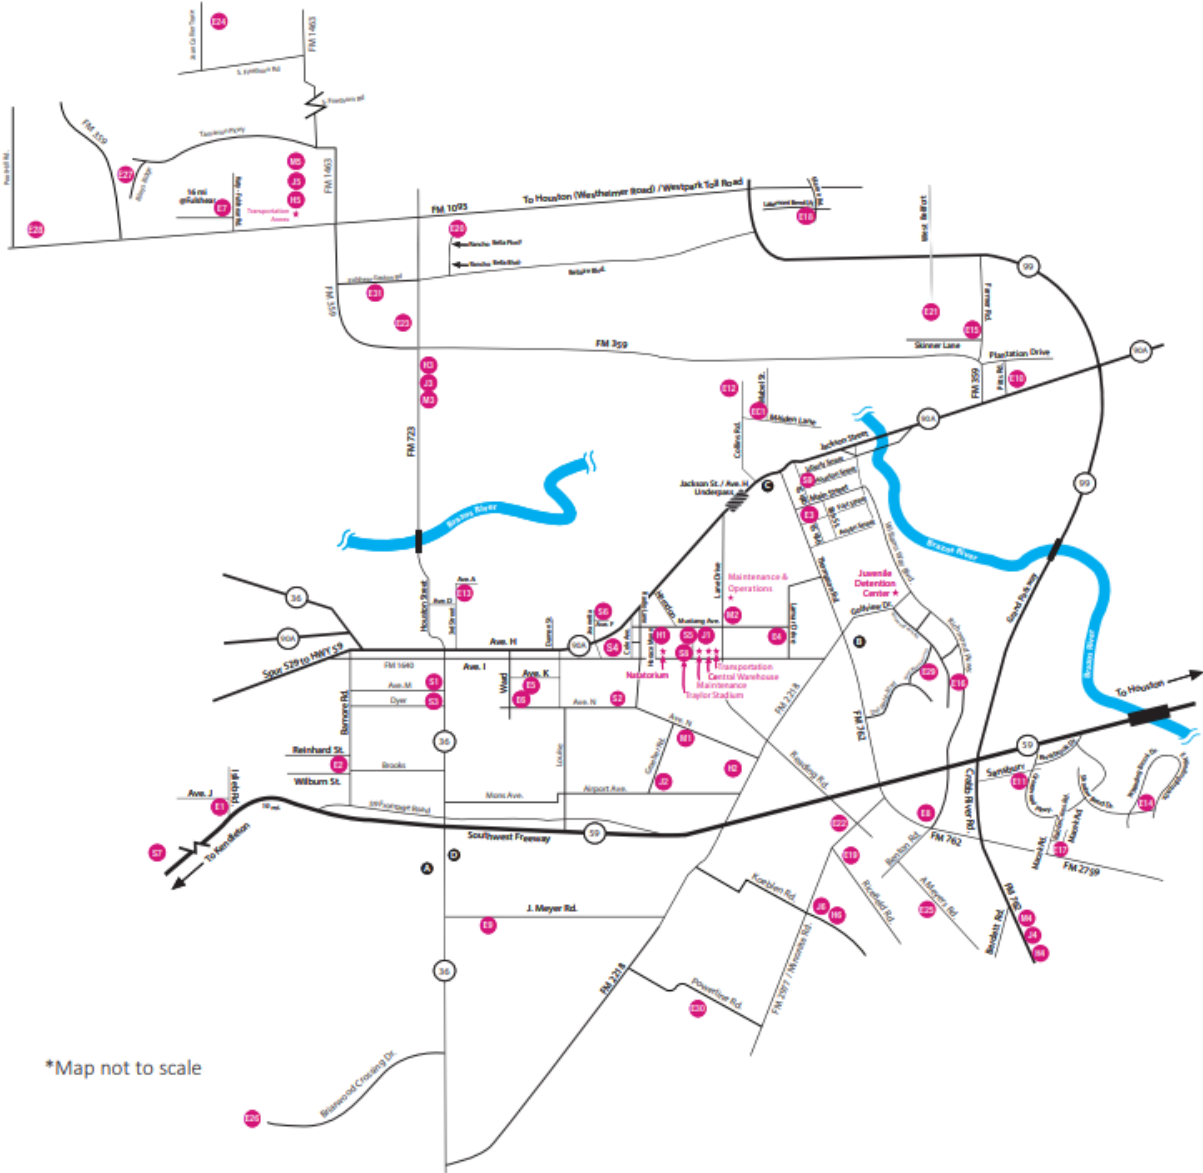

1. Leaving students unsupervised by an adult at any time.
2. Inappropriately redirecting students.
3. Inappropriate language or interaction with students or co-workers.
4. Failure to show up after accepting an assignment.
5. Repeated tardiness.
6. Inability to work with staff members cooperatively.
7. Failure to follow District policies and procedures.
8. Failure to follow specific directions of a principal.

SPECIAL EDUCATION CONTINUUM OF SERVICES & PROGRAMS

Lamar Consolidated ISD provides services with special education personnel to students with disabilities in order to meet the special needs of those students. To the maximum extent possible, children with disabilities are educated with children who are non-disabled. Removal from the general educational environment occurs only if the nature and severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. Based on the individual needs and individualized education programs of the eligible students, the ARD Committee determines the appropriate alternative instructional arrangement, setting, and/or service. Alternatives may include the following:

Adult Transition Program (ATP)

ATP is a program for students 18+ that is geared to work on job training, independent living skills, and health and wellness.

Compliance and Academics Program (CAP)

The CAP classroom is designed to meet the needs of students with a disability who have average cognitive functioning, and the presence of problem behaviors that significantly interfere with learning. These students have deficits in attending, compliance, and frustration tolerance and may display self-stimulatory behaviors that disrupt learning as well as aggression towards others, elopement, and/or self-injurious behaviors. The goal of the CAP classroom is to teach students compliance skills and other necessary ready to learn skills so that the students can successfully participate in a general education classroom. These students require high structure, repetition, prompting, reinforcement, and intensive instruction to reduce severe and persistent behaviors that interfere with learning.

ECSE Program Description

The Early Childhood Special Education (ECSE) program is for students ages 3-5 who require specialized teaching strategies, and the ongoing development of communication, cognitive, social, and behavioral skills. The purpose is to provide early intervention with an emphasis on acquisition of behaviors and skills considered most important for future learning (i.e. imitation, attending, compliance); the development of oral language; establishing age appropriate self-care skills (i.e. toilet training); and reduction of interfering behaviors. The program follows a district-adopted research-based curriculum for Pre-K. In the ECSE classroom, teachers strive to differentiate the instruction so that all children achieve at their individual level. The classroom schedule reflects whole group, small group, and individualized instruction throughout the class day. Children may also receive related services (Speech, Occupational, or Physical), as deemed required by the Admission, Review, Dismissal Committee. The ARD committee will routinely assess a student's Least Restrictive Environment (LRE) and consider a

continuum of services with opportunities for the student to participate in an inclusive setting as deemed appropriate.

Inclusion opportunities may consist of:

- Pegasus
- General Education Pre-K
- General Education Kindergarten

Homebound

A student served through the special education homebound program at home or hospital bedside must be served by a certified special education teacher. Over the period of his or her confinement, the student must be provided instruction in all core academic subject area courses in which the student is enrolled. In addition, over the period of confinement, the student should be provided instruction in all other courses the student is enrolled in, if possible.

The student is expected to be confined at home or hospital bedside for a minimum of 4 weeks. The weeks need not be consecutive. The student is confined at home or hospital bedside for medical reasons only. The student's medical condition is documented by a physician licensed to practice in the United States.

Inclusion

Inclusive education, according to its most basic definition, means that students with disabilities are supported in chronologically age-appropriate general education classes at their home schools and receive the specialized instruction defined by their individualized education programs (IEP's) within the context of the core curriculum and general class activities. Inclusion support is offered in designated academic areas. Inclusion support consists of a special education teacher and/or paraprofessional consulting with the general education teacher to assist in the implementation of individual educational plans and/or modifications within the general education classroom. Based on the needs of the student, this support may be provided via consultation with the general education teacher, and/ or direct, with the teacher or paraprofessional working directly with the student in the classroom. The amount of time for this service is an ARD Committee decision based on the needs of the student.

Resource

Resource is a pullout service delivery model offered in the student's area of disability. Students placed in resource classes are working on specific individualized educational goals and objectives developed by the admission, review, and dismissal (ARD) committee. Most often, students in these classes are unable to successfully participate

in general education curriculum at grade level due to severe learning difficulties. Resource classes allow these students to progress through the curriculum at their own level and pace.

- Can receive modified curriculum but are responsible for grade level TEKS.
- Academic performance can also be 2 to 3 years below grade level.
- Students must have goals and/or objectives for subjects.
- Direct instruction and/or interventions are provided to the student.

Social Emotional Support Classroom (SESC)

The Social Emotional Support Classroom will provide students with a comprehensive behavior classroom that focuses on social skills training and social-emotional learning that allows students to move through a continuum of program options. The SESC program aims to provide needed behavior support to its students while they receive instruction in the general education or resource setting. The foundation of the program is rooted in the belief that students benefit both behaviorally and academically from educational experiences with their nondisabled peers while having access to the general education curriculum. With the ongoing support and training of SESC staff, each student will learn, practice, and implement individualized strategies that address targeted behaviors. Students will move through a leveled system of support by displaying appropriate behaviors independently. This will allow students to receive behavioral support when needed and receive maximum instructional time from highly qualified teachers.

Structured Learning Classroom (SLC)

The Structured Learning Classroom (SLC) is a specialized program designed to support students with low-incidence disabilities based on the University of North Carolina's Structured TEACCH philosophy. This program is based on a highly structured environment that meets students' academic, social, behavioral and communication needs. It utilizes an alternate curriculum, which focuses on the TEKS at the prerequisite level while individualizing instructional strategies for every student. While the names of the programs have changed student IEP goals will remain intact and implemented to ensure student progress.

TIPS FOR A SUCCESSFUL DAY

AT HOME

- Keep a note pad and pencil by the phone you will be using to answer early morning calls.

- Leave early enough to arrive at the school at least 15 minutes prior to the beginning of school.

PRIOR TO ENTERING THE CLASSROOM

- Report to the front office.
- Ask if there will be any extra duties associated with the regular teacher's assignment.
- Find out what the lunch procedure is.
- Find out how to refer a student to the office.
- Find out how to report students who are tardy or absent.
- Obtain any keys that might be necessary.
- Find the location of rest rooms and the teacher's lounge.
- Ask the names of the teachers on both sides of your classroom and if possible, introduce yourself to them.

UPON ENTERING THE CLASSROOM

- Write your name on the board.
- Locate the substitute folder.
- Review the expectations or rules if any are posted.
- Locate the school evacuation map.
- Read through the lesson plans left by the regular teacher.
- Locate the books, papers, and materials that will be needed throughout the day.
- Study the seating charts, if available.
- When the bell rings, stand in the doorway and greet students as they enter the classroom.

THROUGHOUT THE DAY

- Supervision of students is a primary responsibility.
- Greet the students at the door and get them involved in the learning activity immediately.
- Carry out the lesson plans and assigned duties to the best of your ability.
- Improvise to fill extra time, enhance activities or supplement sketchy lesson plans as needed.
- Be fair and carry out the rewards and consequences you establish.
- Be positive and respectful in your interactions with students and school personnel.
- Do not provide students with food, drinks, cough drops, etc.

AT THE END OF EACH CLASS PERIOD/DAY

- Challenge students to recall projects and topics they have studied that day.
- Remind students of homework.
- Have students straighten and clean the area around their desks.
- Take time to write the teacher a summary of the day.

- Neatly organize the papers turned in by the students.
- Turn off lights and equipment and make sure the room is in good order before you lock the door.
- Turn in keys and any money collected to the office (if you haven't already done so).
- Contemplate ways you can improve as a substitute teacher.
- Jot down a few notes to yourself about what was accomplished and how things went.
- Pat yourself on the back, you did a great service!

SUGGESTIONS WHEN LESSON PLANS ARE NOT AVAILABLE

There will be times when you are faced with very sketchy plans or with no plans at all. Similarly, there may be occasions when the proposed materials may be too difficult to cover adequately without preparation. Following are some suggestions for handling these situations:

1. Check with the office to see if the regular teacher has left instructions there. At the secondary school, check with the department chair if there are no plans left in the room.
2. Try to maintain a continuity of lessons by referring to the last completed day in the lesson plan book if one is available. Try to provide a reasonable follow-up of the previous lesson.
3. Younger students are sometimes upset by a departure from regular routines. Try to maintain their regular schedule as much as possible but let them know that some things will be done differently that day.

RESPONSIBILITIES OF SUBSTITUTES

As a substitute you should report to the main office upon arriving at the school. You will then receive your assignment information. You are entitled to a lunch period, but you are not entitled to have the teacher's conference period off. The principal has the right to assign you extra duty during that time. (Please remember that we pay you to work a full day or a four hour day for part day assignments.) After receiving your assignment information, you should report to the assigned classroom. The following suggestions should be noted as preparation before the day begins:

- Become familiar with the procedure for checking class rolls, lunch schedule, and for emergency disaster and fire drills.
- It is important that accurate daily attendance records be kept in the manner adopted by the school. If recorded manually, use only black or blue ink.
- Review lesson plans prepared by the regular teacher, and locate materials for carrying out the assignment. Follow lesson plans as closely as possible to ensure continuity in the instructional program. Make a note of any changes that you make.
- As a means of creating the appropriate classroom climate, the substitute teacher should introduce himself/herself to each new group of students with whom he/she has contact throughout the day. Remember to write your name on the chalkboard.
- Do not leave the classroom for any reason. If you suddenly feel ill, ask a neighboring teacher to watch your class until you return. Never leave the campus during your lunch period or off period unless you have signed out. Remember to sign in upon your return. (Remember that since Lamar CISD is a non-smoking/tobacco free district, smoking and other use of tobacco is not allowed anywhere on the Lamar CISD grounds.)
- Maintain a professional attitude toward your work (you are not a baby-sitter). Your attitude and professionalism will have a great deal to do with your acceptance by the faculty and students and your success in the assignment.
- It is important that the regular teacher be informed of the material covered during his/her absence. As you prepare your daily summary, report only that which is necessary, and remember not to criticize the regular procedures of the students.
- At the end of the day, leave the room neat and orderly, closing windows and doors. Return all keys to the front office and check to determine the need for further service. If money is collected, record the amount and turn it in to the front office if not done earlier.

CLASSROOM MANAGEMENT

1. The substitute shall never leave students unsupervised. The supervision of students is both a classroom management and a safety responsibility. The substitute teacher has the same responsibility as the regular teacher for the students' wellbeing while in his/her supervision.
2. Substitute teachers are expected to review the District Student Code of Conduct to become familiar with policies and procedures of the District.
3. Disciplinary problems may be avoided by keeping students occupied in meaningful activities and by providing firm and consistent management of students.
4. The substitute should review the classroom discipline plan. Check with the team leader, department chair, teachers or principal for necessary clarifications. Do not hesitate to ask for help.
5. The substitute teacher might have ready appropriate extra activities for the grade level so that students never have idle time.
6. Refrain from touching students in any form or fashion. Such actions can be misconstrued.
7. Organize the details to minimize time spent on procedural matters.
 - a. Have students pass papers to the front of each row and count them.
 - b. Ask students to place homework or test papers on the corner of their desks and pick them up.
 - c. Do not permit wandering, unnecessary pencil sharpening, etc.
 - d. Make use of student monitors to assist in collecting items or passing the trash can.
8. Encourage student attention and active participation.
9. Substitute teachers are expected to be an active part of classroom instruction. Monitor students carefully by moving around the classroom checking on each student by answering questions, and/or clarifying the assignment.
10. As you monitor the classroom, provide feedback to students about their work.
11. Keep an eye on the clock. Allow time for administrative and academic closure.

EMPLOYEE STANDARDS OF CONDUCT

ELECTRONIC MEDIA INFO

These guidelines identify the acceptable boundaries for authorized personnel to communicate through electronic media with currently enrolled students. An employee is not subject to these limitations when the employee has a pre-existing family or social relationship with the student. For example, an employee may have a pre-existing relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child or a member or participant in the same civic, social, recreational or religious organization.

"Electronic Media" includes, but is not limited to, the use of cell phones, text messaging, instant messaging, electronic mail, web logs (blogs), electronic forums, video sharing web sites, editorial comments posted on the internet, social network sites and all forms of telecommunication. "Communicate/Communication" is defined as the conveying of information via one-way communication as well as a dialogue between two or more people. Unsolicited contact initiated by a student through electronic media does not constitute communication. "Authorized Personnel" is defined as any employee who possesses a certificate issued by the Texas Education Agency or the State Board for Educator Certification; possesses licensure issued by a state licensing agency (e.g. trainers, nurses, psychologists); or is responsible for the supervision of a district sponsored extracurricular activity.

GUIDELINES FOR ACCEPTABLE USE OF ELECTRONIC MEDIA:

2. Employees should assume that electronic communication as described in this administrative regulation is public information.
3. For employees to communicate with currently enrolled students through social networking sites, employees must establish a separate, independent professional page, which is accessible to administration and parents as well as students.
4. Electronic media communication between the employee and student(s) may not occur prior to 6:00 a.m. or after 10:00 p.m. This limitation does not apply to public posts.
5. The employee must comply with records retention and destruction requirements.

6. The employee is subject to applicable state and federal laws including confidentiality, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators.

7. If administration is conducting an investigation into allegations of employee misconduct, an employee must provide requested information regarding methods and contents of electronic media communications.

8. Employees may not use scheduled work time to engage in electronic communication which is not job related.

9. Posts on personal social media accounts which include student pictures and/or information may not originate from any employee's personal account. This includes sharing posts from any other individual's personal social media accounts.

PERSONAL USE

Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee's use of electronic media interferes with the employee's ability to effectively perform his/her job duties, the employee is subject to disciplinary action up to and including termination of employment.
